## Billy B and the Ladies of Sex and The City

Ever wonder what it takes to be one of the amazing girls of Sex and The City? Lucky for me, Billy B is working with Kristin Davis for some of the SATC press appearances. Billy is the makeup artist behind...too much amazing work to even mention here. He did Kristin's makeup for the Met's Costume Gala, one of the biggest nights of the year in New York City. I asked Billy what his favorite products to use on Kristin are here's the scoop!
