

Beauty Focus

FACE atelier

The first comprehensive, high-end Canadian cosmetics line to be launched on the internet.

The 33 eyeshadow shades come in individual pans, designed to fit four-well and 12-well palettes – convenient, portable and lets you customize your eyeshadow collection.

Face Finish is a refreshing, alcohol-free spray that does double duty by finishing makeup while moisturizing skin.

Fast facts:

Customers are rewarded with ongoing promotions and discounts, as opposed to gifts with purchase.

The company spends its money on product, not packaging, which means lower prices for top quality items.

The line includes foundations, blusher, lipstick, face effects, eyeshadows, eye and lip pencils and brushes, approximately \$8-75. www.faceatelier.com
