### How she got that *Salon City* look...

Light Camouflage Duet, Ivory Ultra Foundation and Champagne Ultra Sheer gives Tara a flawless, even glow. Medium Pressed Powder accentuates the cheekbones. Blonde Brow Pencil. Eye Shadows in Camel, Antique Gold and Carbon add luxurious depth with shimmer. Black Eye Pencil defines Tara's beautiful orbs and Midnight Sculpt Mascara defines and lengthens her lashes. Sierra Lip Pencil, Diamond Pink Lipstick and Peach Lip Glaze make for luscious, supple and radiant lips.
